

## Hennepin County Supervisors' Union Board Meeting 1/16/2018

Attendees: Benjamin Ebbers, Jaidee Martin, Terry Wold, Lisa Brown, and Theresa Farrell-Strauss

### Agenda

1) Meeting dates for the remainder of the year

The Board will meet on the third Tues every other month. The next meeting will be 3/20/18.

2) Labor Health Care Negotiation meetings

Lisa Brown has been attending these highly informative meetings. Laurie Benson has agreed to attend and back up Lisa, if needed.

3) Fall Supervisors Conference

In 2017, Theresa and Lisa attended and thought the conference was worthwhile. Others had initially agreed to go, then backed out. For 2018, we will encourage one person from each of the job classes to attend ( county attorneys, chemical health, corrections, human services, detention, telecommunications, and probation officers).

4) Membership meeting

Ben has an idea for a place where we could have food and drinks at a reasonable cost we will try to get information out to members soon.

5) Website

We have a webmaster who charges \$50 per month to maintain the site. We will be doing some updating.

6) Jaidee will be training for several unions she advises on recent legal developments on Sat 2/10 from 10-12 at a location next to Turtle Bread at 48<sup>th</sup> and Chicago.

Respectfully submitted,

Theresa Farrell-Strauss, Secretary
