

Hennepin County Supervisors' Association Board Meeting on 6/13/218

Attendees: Ben Ebbers, Maslah Jama, Lisa Brown, Ann White, and Theresa Farrell-Strauss

Agenda

1) Discussion of compensation for lost work time for union activities

There is a specific form to be used to make such claims. It is important to abide by the rules. Last year, about \$3500 in claims was submitted for the entire organization. A separate W-2 form is issued when these funds are provided.

If Labor Relations/HR staff is present for meetings such as bargaining sessions, it's permissible to do the work on county time. See the SharePoint Labor Relations page for general information about all the organized groups.

2) Results of survey of members

There were 61 responses; the most important issues were pay, vacation, and sick leave.

3) Upcoming general meeting

The meeting is next week, 6/20, at Broadway Pizza.
